DETAILED ACTION

Allowable Subject Matter

1. Claims 4-10 and 13-26 are allowed.
2. The following is an examiner's statement of reasons for allowance: The closest piece of prior art is Zila et al. However, Zila et al. fail to teach the apparatus comprising 1) the shaft coplanar with the upper surface of the body (claim 4); 2) a plurality of first and second locating devices, wherein the first locating devices are disposed proximate a shaft of the hinge assembly and the second locating devices are disposed outward of the first locating devices relative to the shaft (claims 7, 13 and 16). Nor does any other prior art provide motivation for combining with Zila et al. to provide the structures above. Claims 5-6, 8-10, 14-15 and 18-26 are dependent from the above-mentioned independent claims and are therefore allowable as well.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
